ROUND 2 PREVIEW

THE challenges keep coming for reigning premier Buln Buln, who host an Ellinbank side who have recruited well in the off-season.

The Lyrebirds overcame a third quarter surge to comfortably account for Neerim-Neerim South last week, however this week's contest presents as arguably a greater challenge as the Cats went in undermanned.

Ellinbank, who had the bye last week, have been around the mark in recent seasons without pushing deep into finals.

The Bankers have taken steps over the pre-season to address this, adding the likes of former Narre Warren ruckman Connor Wilkins and Makalo Haywood from Hampton Park.

The contest is set to provide Ellinbank with an early benchmark against the form side of last season.

Patrick Ireland will be one the Bankers look to quell, coming off six goals last week.

This contest could well and truly go either way.

LONGWARRY host Nilma-Darnum in an enticing matchup between two of the bigger improvers to emerge from last round.

The Crows put their returning players to good use in a comfortable win over Catani with Justin McCleary, Jason Wells (six goals), Kane Oldham and Bailey Stephens all featuring among the better players.

Nilma-Darnum will look to continue the wave of momentum of crushing Nyora last week to break its significant drought. The Bombers impressed out of the middle with precision kicking in that contest.

Longwarry will start favorite on trusted form, but it will be interesting to see how the Bombers will fare against slightly stronger opposition.

YARRAGON host Neerim-Neerim South in what shapes as another enticing contest based on round one form.

The Panthers showed improvement to comfortably account for 2023 finalist Poowong, while a blistering third term showed the Cats could trouble the top sides if they can put it together for longer.

All eyes will be on if the Cats can get some of their five missing from their better side back. In the meantime this is the type of contest they need to win as they look to stave off those pushing from the mid-rungs of the ladder.

The Cats should have enough talent to bounce back, but the Panthers will be out to show they could be a threat to the top five.

TRAFALGAR will look to bounce back when they host Poowong.

The Bloods met a difficult opponent in challenging conditions last week, and should be tipped to bounce back on their home ground over a Poowong side some have tipped to slide this season.

LANG LANG will look to continue its winning ways, travelling down the road to take on Nyora.

Based on its round one result, it could be another long day as part of a long season for the Saints, its opposition arguably stronger this week.

CATANI have the bye.

YARRAGON CLUB NOTES

Oh boy! It sure does feel good to be home!

The gates are open, our volunteers are prepped ready to go and we are so excited to be back on home turf to host our first home game of the season today against the cats.

A very big welcome to all players, supporters, families and sponsors of the Panther Army along with the Neerim South Football Netball Club to Downton Park Reserve this Saturday 13th April 2024.

Our club had a cracking start to the season last week-end out at Poowong with 5 out of 9 wins for the day. Congratulations to our Seniors, A Grade, Reserves, C Grade and Under 13's who kicked off their 2024 season with a WIN. We look forward to the next meeting we have with the magpies at the later part of the season.

It's always a tough battle against Neerim, and all of our teams know that they have a fierce challenge on their hands today.

Goodluck to all our players who are wearing the teal, black and white and taking to the field and court.

TRAFALGAR CLUB NOTES

WELCOME all to our first home game for the season.

We hope you enjoy the facilities on display, which have been curated perfectly over summer.

It was great to have local footy and netball back last week, as we got the season underway.

Unfortunately, results were more hit than miss to open the year, but as one prominent Traf supporter and passionate Collingwood supporter reminded all just a few weeks ago, the season is a "marathon not a sprint".

Those looking at the senior football side on paper may have been excused for making comment at the sheer mix of youth and experience, while on the field, Traf had a disappointing final term that saw a 10-point deficit turn into a 27-point loss against Lang Lang.

Among the bright spots however was Isaac Caroleo kicking three goals on senior debut. Others to play well were Jace Butler, Brayde Bosman, Daniel Baker, Liam Coulthard and Brad Hoffmann.

Reserves only lost by 14 points, but in saying that, are still looking for someone to be a leading goal-kicker this season.

Zack Brown played well in defeat, as did Owen Zimora, Jaxen Rowe, Ben Cunico, Keegan Tullett and expert mediator, Blake Zimora.

Thirds lost a thriller by just three points. In a pulsating finish, the ball was in attack for Traf as the final siren sounded.

The Bloods probably should never have been in that position, as they kicked four goals to none in the first half, and then didn't score in the last term.

Even usually placid coach, Cooper Burgess may have been tempted to vent his frustration, having built it all up ever since an afternoon at Morwell involving leg side fielding restrictions.

Juddson Ryan, Toby McCabe, Louis Hennessy, Brock Gill, Angus Carlson and Riley Timbs got the nod as Traf's best.

The Fourths had something of a reverse, coming from behind to win by five points.

The Bloods trailed by a point at three quarter time, but kicked a goal and kept their opponents to a solitary behind in the last.

Will Mills, Wesley Scott, Dylan van der Stoep, Matt Kersten, Riley Peters and Tait Kersten did a good job.

On the netball court, B Grade was the only senior team to salute.

B stood for best as the Bloods won 34-30, with Lateisha Edwards the most outstanding.

A Grade only lost by two, and were well-served by Grace McRae. C Grade went down comfortably, although Tayla Kleevan was able to hold her head high.

In juniors, the 17s got the points courtesy of a 31-27 win. Tessa Farrell played well, as did Madison Schrader in the 15s defeat. Skyla Embleton also put in a good performance in the 13s.

NILMA DARNUM CLUB NOTES

Well what a week!! Last weekend for round 1 we were at home under lights for our senior game and yes we finally broke our 38 week losing streak in the seniors. WooHoo !!!

A great day/night for the club with all netball sides winning along with Seniors, Seconds and Under 16's also winning. A big mention to our new Under 18's side who gave it all they had. Even though they didn't come away with the points it was a great effort.

Today we travel to Longwarry which I'm sure will be a big day also. Good luck to all teams today. Please remember we will be going back to the Royal Hotel Drouin for awards at 6pm followed by our first function for the year our Karaoke Night which I'm sure will be a blast.

BULN BULN CLUB NOTES

Hello and welcome to Ellinbank Football & Netball club along with our fantastic sponsors and supporters in what will be a cracking day of footy and netball.

Last week saw us taking on Neerim South in a great day of both footy and netball.

Congratulations to Sean Symes for reaching 300 games and Meaghan Newitt reaching 250 games last week. A great achievement by you both!

A big thank you to all everyone who put up their hand last week to help out. It is great to see so many people willing to get involved in the day and help the Club out.

We had a big Season opener against Neerim South which saw some really promising results across the football and netball.

We celebrated the 2023 U15's Premiership and the 2023 Senior Premiership last Saturday as we unveiled the flags. A great effort by both sides last year and we look forward to seeing what 2024 has in store for the Club.

Thank you to Dogga Pratt from the EDFNL and Mick Baker for your words and unfurling the Senior flag .

Once the Senior game got underway it was

played at a cracking pace with both sides trying to get the ascendancy, Buln were finally able to get a couple of goals prior to the qtr time siren to take a 13 point lead into qtr time. The boys started the 2nd quarter with a goal in the first 29 seconds and then started to get some good ball movement going to take a 35 point lead into 1/2 time. Mounsey must of given the Neerim boys a serving during the break as they came out in the 3rd qtr to pile on 5 unanswered goals and put the pressure back on buln, but to the boys credit they regrouped and stopped the flow and kicked a couple of steadying goals to lead by 22 points at 3qtr time. 3 goals to buln in the last to Neerim 1 goal game the boys a 34 point win.

Our A Grade side had a great hit out against the back-to-back champs in Neerim South with a tough contest in the rain. The team worked really well together and although they didn't take the points, they have certainly set a solid foundation for the year ahead.

I hope you all enjoy yourselves today and best of luck to all on the field and courts.

Go Birds!

Presidents Report

Today we head down the road for our first away game of the year against Nyora.

After a big round 1 last week at home against Trafalgar it was a big reminder of how many hard-working people it takes to operate a football club.

Big thanks to our hard-working committee, Tracey taking on the big task of club secretary again does a power of work. Renalle as treasurer and in charge of sponsorship along with all the other rolls she does at the club.

Matt Thompson in his first year as Junior Coordinator has done an amazing job appointing all junior coaches from u 10 S to u 18s along with reaching out to players and families to booster our junior numbers in all grades.

Scotty has taken on the Football Operations Manager role for the second year and his hard work and attention to detail has been invaluable as we strive for more success as a club. Special thanks to Lee Thom who has been a great support to me and Scotty, as well as being a valuable committee member. To Ash and Cricket massive thanks to the both of you, your tireless work behind the bar, selling merchandise and any other jobs that need help with your the first to put your hands up for Special thanks to Lachie Barwick for organising another successful membership drive along with helping with sponsorships.

Thanks to Helen Turner as our head trainer and all the trainers that help keep the boys out there every week.

Vice presidents Deano and Bones, it's great to have extra support and help around the club.

Thanks to Pino who again has taken on the role of league delegate and our representative on the rec reserve, a great life member of the club who is incredibly generous with his time. Our canteen and Thursday night meals is once again lead by the hard-working Wendy Easton who does a power of work while always having a smile on her face thanks again to you and your team Wendy.

Thanks to Annie who is new to the committee and Petra who are also great helpers.

To all our valuable sponsors new and old thanks again for your support local football clubs can't survive without your generosity.

Congratulations to Troy and Lee Thom, who late last year became our latest life members two very hard working and loyal deserving life members.

Good luck to the netball club for the year ahead and to all players and coaches.

To anyone who helps in any way from timekeepers, water carriers, red coat, helpers in the canteen or at the gate and to all members and families of the club a big thanks and let's look forward to a big 2024 season.

Coaches Reports

U16s

In the first game of the year against Trafalgar we got off to a great start. In the first half with a new team coming together the boys linked up well with many good passages of play in windy conditions.

In the second half, to Trafalgar's credit, they ate away at our lead in the last quarter. The boys will learn from the experience and look to put in another big week on the training track, continue to work hard and chase our first win.

U18s

Inaccuracy in front of goals (0 goals 9 behinds) in the first half saw the boys 20 points behind at the main break. The second half was a completely different story with 6 straight goals cored, whilst holding Trafalgar to 2 goals 1 behind for the second half and a scoreless last quarter, leading to what was an exciting win!

Reserves

Today the boys kick started their season by getting the 4 points in windy conditions.

We certainly didn't display the footy that we know we will be capable of in the coming weeks, but the boys absolutely played to the coach's instructions, which was very pleasing. Best players were Zach, Boomer & Brock.

Seniors

Last week we welcomed Trafalgar for our opening round game. We started the game well against the wind and settled into the contest. The next couple of quarters were a real arm wrestle with a hard-fought game taking place in difficult conditions. In the last quarter we really got on top and put some scoreboard pressure on. It was a very even contribution and we were well served by first club gamers Brad Clark and Marc Holt. Brad Harding, Kev Parker and Josh Brown had a big influence on the outcome.

Gippsland Umpires Association

DID YOU KNOW?

- There's been a 700% increase over 3 seasons in female umpires. However the GUA are aiming for a 50:50 ratio of female and male members in the coming seasons.

- Good growth in overall numbers, with 2023 seeing the best numbers since before covid. Aiming to hit 150 members in 2024 or 2025.

- Good way to earn some extra tax free cash - \$60 to \$200 per game depending on league and grade.

- First set of game uniform supplied free of charge to get umpires into earning money sooner.

- There's always a common misconception that you have to be 'fit' to umpire football. This couldn't be further from the truth. Field, Boundary and Goal umpiring suits all fitness levels, with some roles being quite simple if like me you want to enjoy a day at the footy and play a glorified game of fetch on the boundary line. We have members ranging from 10 to retirees, so no matter your fitness level you'll fit in no problem.

- Employers love umpires, all disciplines provide the opportunity to:

- demonstrate responsibility & organisational skills,
- work as part of a team
- communicate well and clearly,
- make decisions (sometimes under pressure!) &

support grassroots community sport.

These things are Important skills that most employers are looking for, and could be the point of difference for you now, later in the year, next year, or 10 years from now.

- GUA welcomes people regardless of age, gender, race, religion or sexual orientation - the only prerequisite is that you're a good human - humble, respectful, coachable and that you try hard.

- Umpiring can fit in alongside your casual job/ sporting commitments/ and studies. And you'll have our support every step of the way, whether you too are like me and never grew up watching/playing football, or whether you already play sport and are looking to upskill or earn some money.

Great to see the umpires embracing the fame of featuring on the cover of The Follower.

Will this result in another fine for the captured official?

Here at The Follower we love to hear about the fines handed out to those caught on camera!

GENERAL NOTES

Supporters of the 'away' team or both teams if held at neutral ground do not pay entry – but must provide a club membership or evidence of affiliation with your club as proof for the gatekeepers

If you are struggling to send trainers to the make up games, contact the home ground club for assistance (in the past they have been able to help)

If needed game times can be changed to accommodate for U16 players who also play at U18 level

First name team as the 'home team' is responsible for inputting results into Play HQ

First name team must also wear home shorts and supply the football at a neutral venue
